

Instructions for Users

Name: ARWiBo (Alzheimer's Repository Without Borders): Open Access to clinical, neuropsychological, neuroimaging data of patients with neurodegenerative diseases and healthy controls

Access: Open after registration

URL: www.arwibo.it

Overview: <https://neugrid4you.eu/datasets-details>

Data User Agreement and Publication Policy (www.arwibo.it/agreement_policy.it): Users must agree to the ARWiBo terms of use before accessing the dataset. Users must acknowledge ARWiBo in any publication of original data coming or derived data and results obtained from the ARWiBo dataset. Presentations include but are not limited to papers, books, book chapters, conference posters, and talks.

How to Get Access: Users must mandatorily follow the steps reported below:

Step1	
1.1	You must comply with the terms and conditions of use and publication defined by the ARWIBO dataset creators accepting the Data User Agreement and Publication Policy reported above (www.arwibo.it/agreement_policy.it)
Step2	
2.1	To activate ARWiBo in your N4U user's account, the present form, and the ARWiBo Data User Agreement and Publication Policy must be signed and dated, and e-mailed back to the neuGRID consortium (pmt-l@neugrid4you.eu) as well as to ADWiBo staff (adwibo@gmail.com)
Step3	
3.1	You have to login the neuGRID platform and access the following path: <code>/grid/vo.neugrid.eu/data/</code> where the ARWiBo dataset is now ready to be processed.
